PROJECT
March - September 2015

THE KENYA NATIONAL EXAMINATIONS COUNCIL
Kenya Certificate of Secondary Education
ART AND DESIGN
Paper 3
PROJECT

INSTRUCTIONS TO SCHOOLS

The question paper should be given to the candidates in March and the candidates should start the project immediately. The Art teacher should discuss the material requirements of the projects with the candidates and the school and make the materials required available for the candidates to carry out their projects. **The Art teacher should ensure that work has been done by the individual candidates and without assistance.**

The Art teacher will be required to mark the projects as per the given marking scheme and key in the marks online through the KNEC registration portal (www.knec-registration.ac.ke). Login instructions already with schools.

The school will then print the marks report which must be duly signed, stamped and submitted to the Kenya National Examinations Council through the District Education Officer by **30th September, 2015** for the Attention of Head of Section, Field Administration, Mitihani House - Dennis Pritt Road. NAIROBI.
